Purple Emperor origami butterfly

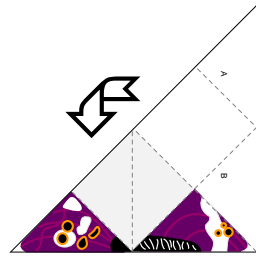

To make the Purple Emperor, cut out the image along the outer solid lines and follow the instructions below.

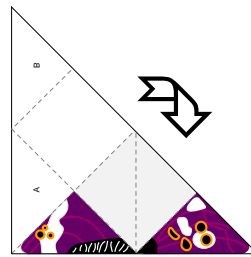

How to make your origami butterfly

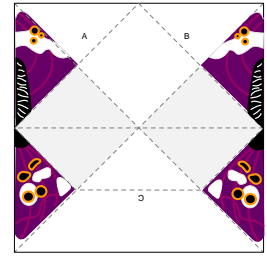

Step 1.
Place printed
side down

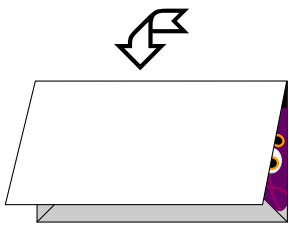

Step 2.
Fold in half along
diagonal line

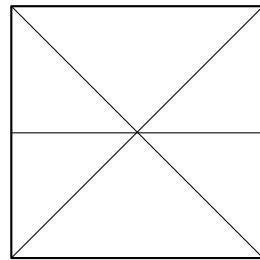

Step 3.
Unfold and repeat
the diagonal fold on
other side

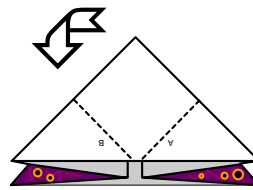

Step 4.
Unfold and turn
over so printed side
is up

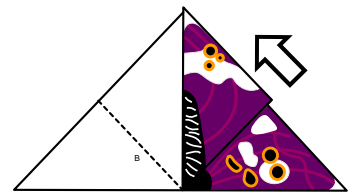

Step 5.
Fold in half along
horizontal line.
Unfold and turn over

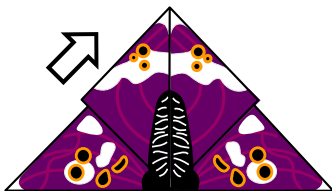

Step 6.
Your folds should
look like the above

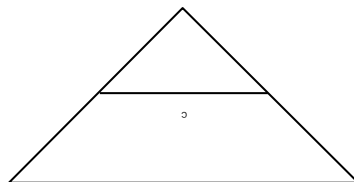

Step 7.
With printed side up,
do a "mountain" fold
by folding along the
creases as above

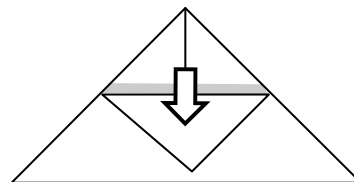

Step 8.
Fold the right corner
up along line A,
as shown above

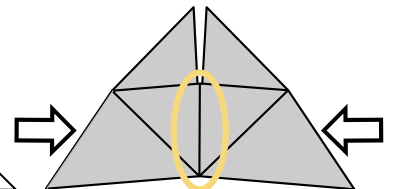

Step 9.
Fold the left corner
up along line B,
as shown above

Step 10.
Turn butterfly over,
printed side down

Step 11.
Fold down along
line C

Step 12.
Fold in half to create
a crease in the center.
Turn over your butterfly...

Your butterfly is finished!
Complete your butterfly by
colouring in its markings.
